MODERNIZATION, HYGIENE & MSS SUSTAINMENT KITS

Introducing Revision's Batlskin Viper Modernization, Hygiene and MSS Sustainment Kits, offering components and accessories to upgrade or refresh your ACH-shaped, Full-cut helmet System.

Essential Modernization kits include a Batlskin Viper Front Mount, Interlocking Long Rails and a Precision Fit (Full Cut) Premium helmet cover. **Deluxe kits** also include a Modular Suspension System.

Hygiene kits include a Precision Fit Basic Helmet Cover, a Retention System and a Pad Liner to replace the current head gear to ensure sanitation.

MSS Sustainment kits – Revision offers an MSS Sustainment Kit which includes new comfort pads, chin strap, mesh liner and hardware. The MSS Sustainment Kit reduces the logistical and monetary burden when sustaining Revision's MSS System.
