ACCESSORIES FOR BATLSKIN® HEAD PROTECTION SYSTEMS

The following accessories work with Batlskin Viper™ A1, Batlskin Viper P2 and Batlskin Cobra™ P2 Head Protection Systems.

ACCESSORIES

BATLSKIN MINI RAILS

- Allows for easy installation of cameras, flashlights, and other headborne accessories onto helmet
- Swivelling feature allows wearer to position accessory as desired
- Composed of robust materials to support weight of accessories
- Integrates seamlessly with Batlskin Front Mount using one bolt

BATLSKIN NIGHT VISION GOGGLE (NVG) SHOCK CORD

- Offers supplemental retention support of NVG device to Batlskin Front Mount
- Stabilizes NVG and reduces rattling of device during use
- Provides 35lbs (15.8 kg) of pull strength
- Tensioner allows adjustment of shock cord for secure fit
- Cord made of durable bungee material

BATLSKIN VISOR-MANDIBLE GUARD STORAGE CASE

- Durable cordura fabric shell with brushed nylon inner lining to protect Visor lens
- Treated with Water Repellent Coating
- Elastic strap wraps securely around to retain the Mandible Guard
- When attached to case, Mandible Guard acts as an additional hard layer protecting Visor
- Loops attach storage case to belt
- Velcro hook and loop closure with a grab tab for quick and easy opening

BATLSKIN HELMET BAG

- Composed of durable, water resistant fabric with a drawstring opening and cord lock
- Name tag can be personalized
- Bag can be hand carried using webbing handle or drawstring doubles as a shoulder strap

BATLSKIN. The ultimate protection from trauma – blunt force, blast and ballistic: B3 Technology™ in a scalable, lightweight package that's fully modular and fully integrated. So you can tailor the system to the mission for peak performance.
